

## **Green Thumb Bus Trip – April 9, 2018**

### **Lewes, Delaware Tulip Festival**

**At the Lewes Ferry with a docent from the Historical Society. It was a cold, overcast day.**

**Lunch at the Lewes Yacht Club**

**Despite the very cold spring, tulips were blooming around town. We began the day with a talk at the local library by one of the founders of Lewes in Bloom and the Tulip Festival event. We took the bus to the Lewes Ferry and then went to lunch at the Lewes Yacht Club. After lunch there was time for some shopping in downtown Lewes.**
